

PERSONAL PREPAREDNESS ITEMS

FOR HOME

The following has been broken down into three tiers of preparedness for home– “The Bare Minimum”, “the Survivalist” and “the Prepper”. The Bare Minimum is essential for survival. If there are individuals with special needs, such as infants or seniors in your home, review the section on supplementing your kit to accommodate their needs.

THE BARE MINIMUM	<ul style="list-style-type: none"> • Water (1 Gallon per person per day) • Medicine (30 day supply) • Nonperishable Food (3 days)
